Class IX – Artificial Intelligence (AI)

Holiday Homework

Topics:

1. Communication Skills – II
 2. Self Management Skills – I
 3. Basic ICT Skills – I
 4. Entrepreneurial Skills – I
 5. Green Skills - I
 6. Introduction to Artificial Intelligence (AI)
 7. AI Project Cycle
- Select any one topic from the given topics and make a project on it as discussed in class.
 - If you want to develop a model using Arduino or Raspberry Pi you may also do that. Do not just show codes in laptop, it should be a physical model.
 - Your project must be creative, interactive, decorative and very neatly made. Do not copy paste directly from the internet. Use your own thoughts and skills.
 - You will be awarded marks for this. You may do it individually or in a group (max 3 members).
 - For more details about the topic, refer the photos sent in the group.
