

ISEA Announces National Level

*Drawing and
Slogan*

Competition

on Information/Cyber Safety and Security

Information Security Education and Awareness (ISEA) is a Ministry of Electronics and Information Technology (MeitY), Govt initiative with an objective of capacity building in the area of information security, training of Government personnel and creation of mass awareness on information security awareness targeted towards students, women, police and other user segments. The project is being implemented through fifty two (52) institutions for academic activities (4 ISRDCs, 7 RCs, 41 PIs including IISc, IIT's, NIT's) and CDAC Hyderabad as a coordinating agency for Awareness program.

As part of this initiative a multilingual web portal www.infosecawareness.in has been developed with abundant multimedia content for various user segments by covering the various areas of the cyber security.

OBJECTIVE

Inculcate cyber hygiene practices among the Internet users.

THEME

*Information/Cyber Safety
and Security*

- Cyber bullying
- Cyber stalking
- Password protection
- Online Fraud
- Internet Ethics
- Revenge porn
- Online trolling, etc.
