## MORNING ASSEMBLY

The Vidyalaya assembly works as a unifying force. Students feel the school as an organized group and every student realizes that he is part and parcel of the school community. Assembly works as a source of inspiration and its experiences widen and deepen students' interests. It works as a platform for propagation of commendable work. Outstanding performances and achievements of students in curricular and co-curricular fields get recognized before the entire school. School assembly serves as a place for developing audience habits. Respects for others' feelings, courtesy towards speakers and guests, sensible applause at the proper time, appreciative attitude are some of the good audience habits that the students develop through school assembly.

In our Vidyalaya, the primary students conducts the morning assembly every Friday with full zeal and enthusiasm.
